

Mid-Level Landscape Architect / Designer
Experience required: 2 to 5 years
330 Railroad Avenue Greenwich, CT 06830

At Granoff Architects, we work collaboratively toward the design of exceptional homes and commercial spaces of varied scope and scale. Our design staff of 22 is comprised of a team of talented and dynamic architects, landscape architects and interior designers. We are passionate and motivated to produce exciting and creative solutions for complex and challenging sites.

To work here, you will:

- assist senior design staff working from concept to completion;
- collaborate with other staff and consultants;
- prepare base plans; develop conceptual plans and illustrative graphics; coordinate and complete construction documents;
- participate in client and team meetings;
- work in the field during design through construction.

To work here, you should:

- hold a degree in Landscape Architecture;
- have worked at least two years in the profession with active design participation;
- be detail oriented and have high design standards;
- be skilled in hand and digital graphic communications;
- have fluent proficiency in AutoCAD, Microsoft Office Suite, Adobe Photoshop;
- understand technical construction issues;
- possess critical thinking and efficient project organization and management skills;
- be knowledgeable and experienced in northeast plant materials;
- be comfortable with grading and drainage design;
- have a positive attitude and demonstrate good working relationships with colleagues, consultants and clients;
- be outgoing, motivated, resourceful and eager to learn.

To apply:

Submit a cover letter stating your interest and how you would be a good fit to Granoff Architects. Submit a resume and a few work samples in a single PDF format. PDF file size should be limited to 10 MB.
