

## DESCRIPTION

studio M MERGE is small, woman owned, multi-disciplinary firm located in Oakland. Design and team centered, we highly stress and value the importance of collaboration in our office. Collaborating with our clients, master builders, artisans and experts in the fields of construction, energy efficiency and water management we build amazing teams and projects. Everyone in our studio is a self starter, motivated and loves what they do. We juggle the responsibilities of work and family and provide a supportive environment to do so. Our project types include large scale residential master plans, small urban gardens/back yards, edible gardens, multifamily residential landscape plans, custom homes, remodels and additions. School projects include playgrounds, gender inclusive design and maker spaces. Some of our projects can be found on our website: [www.studiommerge.com](http://www.studiommerge.com) and our HOUZZ site.

We currently have over 20 projects and need more talented and motivated people to join our team!

We need a part time project landscape architect /designer to manage projects and work with project teams on all phases from design through construction. Salary is commensurate with experience.  
2.5 - 4 days /week
