

DESIGNWORKSHOP

Design Workshop Inc. is an internationally recognized firm focused on landscape architecture, urban design, community and regional planning, market analysis and strategic services. We believe that when environment, economics, art and community are combined in harmony with the dictates of the land and needs of society, magical places result- sustainable places of timeless beauty, significant value and enduring quality. Through a closely collaborative process at all levels, Design Workshop is dedicated to creating legacy projects for our clients, for society and for the well-being of our planet.

Our pioneering efforts have been recognized with more than 260 awards from such organizations as the American Society of Landscape Architects, the American Planning Association and the Urban Land Institute.

1-3 Years Design and Planning Professional, Austin

We are seeking an entry-level landscape design and planning professional with 1-3 years of experience working in a design and/or planning firm. Exceptional graphic, AutoCAD, analysis and digital production skills are required. Proficiency in Adobe Suite and ArcGIS with examples of mapping and analysis are required. Proven experience with construction documentation, the creation of planning documents, or sustainability certifications knowledge (LEED or SITES) is a plus. The ability to produce high-quality illustrations and computerized models in Rhino and/or SketchUp and impeccable writing skills are essential. Additional requirements include strong technical skills in either landscape architecture and/or planning (stakeholder engagement, policy, code knowledge, grading, construction knowledge) as well as a positive attitude and ability to be flexible towards involvement on a wide range of landscape architecture and planning project types. Candidates must be energetic, self-motivated, great communicators, and possess strong leadership qualities. An undergraduate or graduate degree from an accredited landscape architecture or planning program is required. Candidates with a master's degree or **dual degrees in both landscape architecture and urban design or planning are strongly encouraged to apply.**

This position is available in our Austin office.

In an effort to continue to be sensitive to the environment and to limit the use of precious resources, we request that applicants apply through our [online employment application](#). Please address your specific and long-term interest in the Austin office in your cover letter. Please note your resume, cover letter and portfolio must be in one document under 10 megs in size.

The deadline to apply is 11:59pm on Monday, November 13.

Design Workshop is an Equal Opportunity Employer.
