

**Job Title:**  
**LANDSCAPE ARCHITECTURAL DESIGNER**

**Location:**  
Orlando/Oviedo, Florida

**Job Description:**

Mills Design Group is a collaborative, dynamic, and team-oriented studio with a commitment to innovative design, sustainability, and client satisfaction. We work with a variety of residential and commercial clients throughout the US and the Caribbean. From urban oases to resort retreats, our seamless, natural, enduring environments beautify and captivate. We work side by side as design partners to ensure that the landscapes we create fit the lives of the people experiencing them.

As part of our tight-knit design team, you will have the opportunity to work on a variety of projects from conception through completion. This role will primarily be responsible for supporting the development of conceptual design drawings, construction documents, and client coordination. Daily activities may include: preparation of conceptual plans; modifications of plans based on red lines, government comments, and/or input from the client; and attendance at client review meetings. The ideal candidate will be energetic, self-motivated, possess strong communication skills, and take initiative.

**Position Requirements:**

- Degree in Landscape Architecture
- Strong AutoCAD, SketchUp, Microsoft Office (Word and Excel) skills
- Working knowledge of Adobe Creative Suite
- Basic knowledge of site planning
- Freehand illustration and rendering skills
- Good communication and verbal presentation skills

**Desired Qualifications:**

- 1-3 years experience is ideal
- Landscape and hardscape expertise a plus
- Ability to manage multiple priorities
- Ability to review and apply government regulations correctly to site and landscape plans
- Ability to produce high-quality work in a fast-paced environment
- Good communication and verbal presentation skills
- Knowledge of **Florida** vegetation and growing conditions a plus

**Minimum Education Level:**

- Bachelor's Degree, Landscape Architecture
