

We at Sunstate Studios have an opening for a mid-level designer with 2-5 years of professional experience to join our exciting, dynamic, and fast pace firm. We are seeking a highly creative, self-motivated and enthusiastic individual to work under a licensed landscape architect and alongside landscape designers.

As an expanding office with new opportunities this allows everyone to have a chance to participate in all aspects of the firm's projects and growth. The candidate should have basic understanding of conceptual site design, graphic presentation, construction documentation and administration.

Our work includes design development of civic and recreational spaces, trails, streetscapes, residential communities and model homes complexes.

The ideal candidate should have experience with:

- Experiences with AutoCAD, Adobe Creative Suite, SketchUp, and Microsoft Office are essential
- Construction document and detailing experience
- Experience with Southwest Plant Palettes and Irrigation Design
- Strong oral, written and graphic communication skills
- Excellent time-management and organizational skills
- 3D and hand graphic skills are a big plus

Education Requirements:

BLA or MLA from a Landscape Architecture Program is preferred.

We offer a competitive salary and comprehensive benefits including medical, dental and 401-k.

For more information please visit our website @ [www.sunstatestudios.com](http://www.sunstatestudios.com)

Interested candidates should send a resume, cover letter and work/portfolio samples.
