

Title: Entry Level Landscape Architect

City: Ventura, California

State: California

Zip Code: 93155

Country:

Category: Landscape Architects

Years of Experience: Entry Level

Compensation:

Description: The Design Studios at LDI is searching for creative, motivated and hard working landscape designers with initiative, leadership skills, strong design, graphic and communication skills and a strong desire to learn and excel in an office with a fast pace and unique company culture.

Our portfolio includes a wide variety of projects ranging from full master plan development. Roof top gardens and gathering spaces, estate planning, resorts, public works and community development to name a few. The Design Studios at LDI is located in a unique environment where we build many of the projects we design, offering the opportunity to see projects develop from concepts to full construction.

We offer:

- Tremendous training and upward mobility
- Live in or near Ventura – one of California's last great affordable beach cities.
- Work with a young, high energy and super positive team
- Secured by one of the nation's largest landscape companies.
- Excellent compensation package as well as great opportunities for professional growth
- Great benefits – health, dental, eye, permanent disability, 401k, good vacation, holidays, birthdays,

Education Requirements: Bachelor Degree in Landscape Architecture from an accredited university.
