LANDSCAPE ARCHITECT (Entry level to two years experience - Immediate Opening Entry)

J. Buckley & Associates, Inc. Is a well-established Landscape Architecture firm, focusing on high-end residential projects. Established in 1989, J. Buckley & Associates is a design-build firm that services the Northern Virginia & Maryland area. We have an immediate opening for an entry level Landscape Architect to join our team.

At J. Buckley & Associates we pride ourselves on creativity in our design work and staying involved with the project through completion. We work in a collaborative, team atmosphere, where peer review and help is an everyday experience. We stay up to date on technological advances in the profession and incorporate them into our work. This is an excellent opportunity to participate in all facets of Landscape Architecture. This position involves site analysis, conceptual design development, planting plans and construction detail design. We have two registered Landscape Architects on staff (Maryland & Virginia), to help and encourage all Associates to become registered.

We have a full range of benefits available, including competitive salary, paid vacation, paid holidays, and retirement plans.

Skills: Experiences with AutoCAD, Adobe Creative Suite, SketchUp, and Microsoft Office are essential, construction and on site experience is preferred.

Task includes the following:

Site Inventory, GIS mapping, Client Interfacing, Conceptual Designs, Estimating, Grading plans, Construction Drawings & Specification Documents, Job Supervisor, etc. Additionally, we work and coordinate with a number of other design professionals and industries, following building codes and zoning ordinances to create harmonious and welcoming environments.

Minimum Education Requirements: Bachelor Degree in Landscape Architecture from an accredited university is a must.

Salaries are commensurate with experience.

Please send resume and portfolio work to Attention: David M. Neuman, admin@JBuckleyInc.com
