

## Landscape Architect - Tampa, FL

Heidt Design is seeking to hire a Landscape Architect with a minimum of 1 year of professional experience. The candidate shall have a great attitude. The position requires a knowledge of AutoCAD 2014 or higher, Land F/X, Photoshop, Microsoft Word, and Excel. Knowledge of Sketch Up and Lumion is strongly desired.

Ideal candidates will perform well in a team environment, and work on landscape, hardscape, zoning, and permit plans.

### Job Responsibilities/Duties

- Prepare master plans, land use plans, construction plans, planting plans, specifications, reports, studies, supporting documentation, cost estimates and permit applications utilizing company and industry accepted standards.
- Perform site visits and create accurate photographic documentation.
- Create visual graphics both plan view and illustrative.
- Shall be able to meet deadlines, be results-oriented, and effectively prioritize, manage and achieve results while handling multiple projects.

Heidt Design offers excellent benefits and a competitive salary commensurate with skills and experience.
