

CTA, Inc. in Boise, Idaho is seeking a Landscape Architect in Training with 2-4 years of experience to help grow the company's SITE group in their Boise office. CTA's SITE group consists of Landscape Architects, Civil Engineers, Planners, and Surveyors. Our group is part of the larger CTA, Inc. a full service A/E firm. As a small SITE team we work in conjunction with a diverse group of design professionals across all six of CTA's market sectors within the Boise Office.

This is an exciting opportunity with tremendous growth potential for a landscape architect with self-starter and critical thinking characteristics. The addition to our team should possess a strong understanding of design, production, and communication skills. The best candidate will be able to illustrate a strong graphic ability, presentation skills, and be proficient in AutoCad, Illustrator, Photoshop, and Sketch-Up. A degree in Landscape Architecture from an accredited school is required.

Boise is a spectacular city in the Northern Rockies to live, work, and have fun. We seek to build our small staff of creative professionals with team members who combine a commitment to design with a zest of living. This position offers excellent pay and a benefits package including medical/dental/vision/life insurance, retirement savings plan, holiday and paid time off, flexible schedules, and an evolving wellness program.

To see if CTA is a match for you, please visit www.ctagroup.com, and when you're ready to apply, click the "Join Us" tab. We look forward to hearing from you!

CTA Inc. is an Equal Opportunity and Affirmative Action employer, including vets and disabled individuals.
