

LANDSCAPE DESIGNER (Entry Level)

We are a collaborative, dynamic, and team oriented professional culture with a commitment to innovative design, sustainability, and client satisfaction. While our focus is on public work – including urban parks and waterfronts – we pursue a broad range of projects, ranging from academic campuses to mixed use development. The ideal candidate will enjoy working on teams and have a proven ability to prioritize work tasks to meet deadlines. We are seeking an entry level candidate for our Seattle office.

Walker Macy is an Equal Opportunity Employer.

We are seeking a talented professional to assist with the design and production of projects as part of our landscape architecture, urban design and planning team. This position requires a professional degree in landscape architecture (BLA or MLA), excellent design, graphic and rendering skills (Adobe Photoshop, Illustrator, and SketchUp or Rhino experience preferred), experience producing technical drawings in AutoCAD, strong communication skills and a willingness to take initiative.

Submission requirements to include the following:

Cover Letter

Resume

Digital Portfolio with work samples including at least one Cad drawing - 10 pages or less, no bigger than 8.5 x 11 inch page, in a print ready PDF format. Please include a brief description of the project and identify the medium used for each graphic (i.e. ACAD, SketchUp, Photoshop, hand rendering etc.)

Please do not mail hardcopies of portfolios or letters. Please submit digital copies only, PDF format at 10 MB or less. Email the applications and portfolio materials to:

careers@WalkerMacy.com

Applications will be accepted until July 8, and then top candidates will be invited for an interview within 2 weeks. Skype available for initial interview.
