Landscape Architect – Intermediate Level

Richter & Cegan Inc., an award-winning, established landscape architecture, land planning and urban design firm is seeking a talented landscape architect with a BLA or MLA degree to fill an intermediate level position with 3-8 years' experience. The firm has a 40-year history of successful projects in the public and private sector including campus planning, parks and recreation facilities, streetscapes and urban design projects, commercial, corporate, educational, and large-scale residential and mixed-use developments, and high-end residential homes.

Individuals must be self-motivated, seeking a challenging opportunity. Candidates must be proficient in AutoCAD. Proficiency in Sketch Up, Photo Shop, Power Point and other graphic programs is desired. Strong free-hand and graphic skills are also desirable. Friendly, progressive work environment. Excellent compensation and benefits package along with opportunity for professional and personal growth. Email a short cover letter, resume, and sample portfolio as a PDF. Confidential interviews will be arranged to accommodate your schedule. Richter & Cegan is an Affirmative Action/Equal Opportunity Employer.
