# PLAT STUDIO

PLAT Studio Inc. is a research-driven and design-oriented landscape architecture and urbanism practice based in Berkeley, CA. We are seeking self-motivated and creative mid-level and entry-level landscape architect/designers to join our studio. PLAT Studio offers a young and collaborative working culture in a creative design studio environment.

## **MID-LEVEL LANDSCAPE ARCHITECT / DESIGNER**

An ideal mid-level candidate should be a creative thinker and problem solver who is keen to explore new approaches and techniques, and be able to generate a range of solutions and drawings from design concept stage to design documentation stage.

## **ENTRY-LEVEL LANDSCAPE DESIGNER**

A viable candidate should be an enthusiastic learner willing to contribute ideas at all project stages, confident in a team studio environment, have a hands-on approach to design, be passionate about the industry and practice of landscape architecture and care about our changing role in shaping built environments.

## **REQUIREMENT**

- Proficient with AutoCAD and Adobe Creative Suite (Photoshop, InDesign, Illustrator)
- Working knowledge of SketchUp or other 3-D modeling software
- Construction document and detailing experience is a plus
- Strong hand graphic for conceptual design
- Detail oriented and organized
- Skilled in collaboration and able to take direction from the team
- Entry-level minimum of 1 to 2 years, and mid-level minimum 5 years of experience in a design office environment
- Bachelor or Master of Landscape Architecture Degree from an accredited program

Please email a letter of interest, your resume and a pdf of work samples (maximum of ten pages) to [employment@platstudio.net](mailto:employment@platstudio.net)
