

TITLE: Draftsperson

EXPERIENCE REQUIRED: 0-4 Years, knowledgeable with AutoCAD, SketchUp, Revit, Civil 3D, Microsoft Office Suite, and Microsoft Project.

EDUCATION:

A Bachelor of Science Degree in Landscape Architecture from an accredited College or University is required. Candidates with a degree in the field of Civil Engineering, Architecture or a related field will also be considered although Landscape Architecture is the preferred degree.

POSITION DESCRIPTION:

Draftsperson responsibilities include but are not limited to preparation of graphics, manual and/or computer aided (CAD) drafting, meeting preparation, and production of landscape construction documents and packages.

QUALIFICATIONS:

Qualifications include solid design, hand graphics, rendering skills, ability to multi-task, and strong communication skills both written and verbal. Knowledge of California plant material, an understanding of irrigation design, and AutoCAD proficiency is desirable. Professional experience in the industry is the ideal candidate and recently graduated or graduating students will also be considered for this position.

BENEFITS:

A comprehensive benefit package is offered including vacation time, sick /well time (PTO), paid holidays, professional development, 401(k), profit sharing, and medical, dental, vision, life, flex and health savings plans. The starting annual salary is dependent upon experience.
