

David Thorne Landscape Architect

## **ENTRY-LEVEL LANDSCAPE DESIGN ASSOCIATE**

Oakland, CA

David Thorne Landscape Architect is an award-winning design firm that specializes in custom residential landscape architecture throughout the Bay Area. We are seeking an inspired senior landscape designer to join our dynamic team. We have a collaborative office culture and we partner closely with our clients, architects and other design professionals to create revered landscapes. Our office overlooks a vibrant garden courtyard in the Grand Lake district of Oakland. To learn more about our work visit us at [www.thornela.com](http://www.thornela.com) or [www.houzz.com/pro/dtla](http://www.houzz.com/pro/dtla)

### **Position Summary:**

The entry-level landscape design associate is responsible for supporting the senior associates and principal in creating beautiful, timeless landscapes for our exclusive clientele. Ability to work independently and collaborate closely with the principal, senior associates and other DTLA staff. The entry-level associate will assist on projects throughout most phases of development, and will primarily be responsible for producing CAD drawings for schematic design presentation, design review documents, construction documents, presentation materials, plant research and sourcing as well as other duties as required. We are a Vectorworks and PC-based office. Strong proficiency in CAD drafting is required, though experience specifically in Vectorworks is recommended, but not needed.

### **Qualifications:**

- CAD drafting proficiency, Vectorworks preferred (we are a Vectorworks CAD based office)
- Microsoft Office, PC proficiency
- Adobe Suite proficiency, SketchUp required
- Degree in landscape architecture from an accredited institution
- Excellent written and verbal communication skills
- Self-motivated and self-directed. Ability to work independently as well as part of a team
- Positive, friendly disposition and a sense of humor is appreciated
- Competence in LEED and environmentally sustainable designs preferred
- Familiarity with building and planning codes + construction experience is a plus

Full-time position. Benefits include: PTO, 401(k), Health Insurance, Continuing Education Reimbursements, Wellness Stipend, Cell Phone Stipend. Compensation DOE

For consideration, please submit your resume, portfolio and compensation requirements. Digital portfolios should be in PDF format and not exceed 10 MB. No phone calls or walk-ins.
