

LaGuardia Design Group is an award winning landscape architecture firm based in Southampton, NY.

Our current projects include high end residential projects in New York City, the Hamptons, the Gold Coast of Long Island, Florida, and the Caribbean.

We work in a team setting on all facets of the design process. Typical responsibilities include drafting, 3D modeling, preparing design presentation packages, administering project budgets, preparing bid and construction sets and interacting with clients and other allied professionals.

The firm offers an opportunity to collaborate with world renowned Architects and Designers, in some of the most beautiful locations in the world.
