

BOOTH DESIGN GROUP

landscape architecture ▪ planning ▪ urban design

146 Second Street North, Ste. 302 St. Petersburg, FL 33701

PH. 727-821-5699

Booth Design Group, Inc. is looking for an experienced landscape architect and/or a recent graduate who want to work on a variety of projects. You'll have the chance to work in all areas of project development. We work in all sectors including residential, condo towers, parks, multifamily residential, hospitality and education. We pride ourselves on our customer service and attention to details that allow our small firm to stand out.

Duties

An entry level landscape architect will conduct project research, design development drawings, construction documentation, presentation renderings and site inspections. A bachelor's degree in landscape architecture from an accredited program is required for both positions.

Qualifications

Must be proficient in AutoCAD 2013 or higher! This is a must. Sketch Up, Adobe Suite Products CS 2 or higher, Microsoft Word, PowerPoint and Excel are important, too. Preferred applicants have strong graphics skills in conveying clear and illustrative landscape and hardscape designs. Must have a passion for design, an eagerness to learn and flexible skills. Must be able to effectively communicate verbally and in writing. Florida planting knowledge a plus!

About Us

We're located in beautiful St. Petersburg, known as Sunshine City, which was named a top arts destination and one of the best cities to live. Home to MLB, and close by NHL and NFL, the city has plenty to offer for fun. A vibrant arts movement, a booming craft beers scene, plus nearly 250 miles of shoreline means there's something for everyone. Our firm is comprised of less than 10 people and we want to keep it that way. We all work together on projects in a collaborative effort.

Booth Design Group also offers opportunities to further your learning at conferences, or let us know what other areas you want to excel in and we'll help pave (and pay) the way. We also offer great benefits. If you are interested in furthering your career with our firm, please send us your resume and color portfolio. All submissions can be sent to jbooth@boothdg.com. Please keep all files under 10MB.
