

THOMAS SABIN STUDIO is a full service landscape architectural design firm providing innovative and functional solutions to create great places. Working collaboratively with talented and inspired team members, site planning, architecture and landscape architecture come together in an integrated design system redefining outdoor spaces where we live, work and play. Creative, strong, and well thought out ideas motivate and inspire us to create timeless projects.

THOMAS SABIN STUDIO has an immediate opening for a talented and self-motivated Landscape Architect/Studio Director with 8-10 years office experience. We are looking for candidates with strong design and creative problem solving skills from conceptual design through construction documentation, who thrive in an environment of collaboration, and who demonstrates a high degree of technical knowledge.

Your roles and responsibilities:

- Participation in project teams, project management and client relations
- Extensive experience in preparing design development and construction drawing packages including specifications.
- Production of design concepts, graphic presentations, construction plans and details
- Exceptional organizational skills, ability to work independently, self motivated, and has a proven track record of mentoring and managing design teammates under fast paced and demanding conditions.

Required skills and experience include:

- Bachelors Degree in Landscape Architecture
- Demonstrated excellence in AutoCAD, Adobe Creative Cloud (InDesign, Illustrator, and Photoshop), and SketchUp
- Strong proactive interpersonal and client relationship skills
- Strong organizational skills
- Strong written, verbal, and graphic communication skills
- Ability to collaboratively work across multiple design disciplines and prioritize work flows
- Demonstrated experience in multi family renovation projects

Only candidate's that meet these requirements will be considered. For consideration, please email cover letter, resume, references, and work samples in PDF format to: tsabin@thomassabinstudio.com
