

## **Immediate openings in Solana Beach, CA for mid-level Landscape Architect**

The Office of James Burnett is a leading landscape architectural design firm practicing internationally from offices in Texas, California and Massachusetts. A recipient of numerous design awards, our work includes the design of urban parks, academic institutions, healthcare campuses, workplace environments, and landscape master plans for private and public clients in the United States and abroad.

OJB is currently accepting applications from mid-level Landscape Architects and designers with 3-7 years of experience. Experience should include demonstrated success in project delivery and construction.

**Positions are immediately available in our Solana Beach office.**

Responsibilities may include:

- Preparation, coordination and completion of construction document packages
- Development of creative technical solutions to complex design problems
- Leading the coordination of design and engineering sub-consultants
- Development of project specifications
- Evaluation and selection of materials and products
- Support contract administration efforts by senior staff
- Traveling to project meetings and job site as necessary

The ideal candidate will have:

- A Bachelor or Master of Architecture or Landscape Architecture
- Employment history in a fast-paced, design-driven studio environment
- Experience working with project teams to produce bid documents for complex projects
- Demonstrated technical skills, an attention to detail and problem solving ability
- Proficiency with AutoCAD, Adobe Creative Suite, SketchUp and MS Office
- Familiarity with VectorWorks, Revit Architecture and/or Rhinoceros is a plus
- Professional licensure preferred but not required

The Office of James Burnett offers a competitive compensation package commensurate with experience.
