

Landscape Architect (2-5 years' experience)

1/3/18

Upland Design Ltd. is seeking a full time landscape architect / landscape designer with 2-5 years' experience to join our downtown Plainfield, IL office.

If you have a great attitude and enjoy working with others to find creative solutions, come join our team! Upland Design specializes in public park design, garden design, sports fields, playgrounds, natural area development, and corporate landscape design. This is our 20th year of assisting clients in Illinois, Michigan and Indiana with all phases of site and project planning.

The successful candidate will have understanding of planning and design for recreation and natural resources spaces. He or she should also have strong verbal and graphic communication skills as well as:

- Bachelor's degree in Landscape Architecture (minimum)
- Demonstrated experience in conceptual design through construction observation
- Ability to prepare presentation graphics and sets of construction documents
- Knowledge of public contracts and construction observation procedures
- Strong computer skills in AutoCAD, SketchUp, Adobe Photoshop / Illustrator, MS Office Suite
- 2-5 years of professional office experience
- Driver license
- Additional credentials such as LEED, CPSI, Arborist, etc. are welcomed

Compensation includes vacation, sick days, and paid holidays. In addition, health insurance, dental insurance, life insurance, and retirement plan is included.

Please send resume and project samples in PDF format to **info@uplandDesign.com**
