Professional Opportunity at INTERSTICE

LANDSCAPE ARCHITECTURE

Project Designer with 2 - 5 years experience

INTERSTICE Architects is a well-established, award-winning and rapidly expanding multi-disciplinary design studio located in San Francisco and working primarily in the Bay Area. Current projects include public and institutional civic spaces, campuses, multi-family housing, and mixed-use commercial typologies. IA is a dual-discipline-led firm practicing landscape architecture and architecture, working to combine a high level of design distinction, invention and sustainability in each of its projects.

INTERSTICE is seeking a design professional with minimum three years full time experience in the area of landscape architecture with a desire to take on project leadership. We are seeking an enthusiastic and professional designer that is highly motivated and creative. Individual must have an ability to work well as an active contributing member of the team. Proficient graphics skills are a must, as well as a willingness to handle a range of responsibilities and tasks at all phases of a project.

Qualifications and Skills:

- BS and/or MA/MLA in Landscape Architecture or Architecture.
- Experience & interest specifically around urban landscapes.
- Design presentation & preparation of high quality presentation materials.
- Excellent communication & organizational skills.
- Displayed experience in grading & drainage knowledge.
- Proficiency in AutoCAD and Adobe Suite programs.
- Detail-oriented & enjoys diversity of project types with unique challenges.
- Excellent collaboration & time management skills.

Other Desirable Qualifications:

- Enthusiasm for ingenious use of materials & involved detailing.
- Experience with Revit and/or Rhino programs is desirable.
- Experience preparing construction documentation.
- Basic knowledge of CA plant materials appreciated.
- Legal authorization to work permanently in the US and English Fluency

Offering:

- Position offered is long term with significant growth, responsibility & project leadership potential.
- Competitive salary commensurate with experience
- Health benefits and 401K investment plan.

Submit cover letter, resume and work samples - in PDF format not to exceed 10 MB by email to position@intersticearchitects.com.
