

terrain

JOB TITLE: MID-LEVEL LANDSCAPE ARCHITECT

LOCATION: SAN FRANCISCO

DESCRIPTION

Terrain Studio | San Francisco is seeking to grow our talented staff through the addition of design driven, accomplished mid-level professionals seeking a professional home to explore ideas that result in artful and sustainable built environments. Terrain Studio offers an excellent benefits package and competitive compensation commensurate with experience.

SKILLS / EXPERIENCE

The ideal candidate will have:

- 2 to 10 years of professional experience
- Employment history in a design-driven studio environment
- Experience in contributing to collaborative project teams that produce exemplary work
- Demonstrated physical design and technical skills
- Proficiency with AutoCAD, Adobe Creative Suite, SketchUp and MS Office
- Familiarity with Rhinoceros is desired
- Professional licensure preferred but not required
- Ability and interest to travel domestically and internationally

EDUCATION

- A Bachelor's or Master's Degree in Landscape Architecture

CONTACT
