

JOB LISTING

LANDSCAPE ARCHITECT/ PLANNER

ParkerRodriguez is an award winning small design firm with a very strong portfolio. Our projects include mixed-use development, urban design, urban infill, streetscape and large-scale community master plans. Our work features innovative hardscape and landscape design solutions that integrate program, technical challenges and storm water management seamlessly into the landscape. We are a highly motivated team dedicated to all aspects of our work.

Salaries are commensurate with experience. Benefits include 401K, profit sharing, bonuses, health and dental insurance and a very contemporary, open studio, overlooking the Potomac River in Historic Old Town Alexandria, Virginia.

No phone calls please.

ParkerRodriguez is looking for Landscape Architects, Urban Designers or Architects with strong design skills that enjoy working as an integral part of a design team. Applicants should have substantial experience with AutoCAD as well as graphic programs including Photoshop, SketchUp, Rhino and desktop publishing programs. We use CAD as an integral part of the design process from initial 3-D concept modeling in conjunction with SketchUp and Revit to the preparation of construction documents. Experience required: 0 - 4 years

Minimum Education Requirements: Landscape Architecture or Architecture Degree from an accredited university.
