

Verdone Landscape Architects (VLA, P.C.) is seeking creative and motivated entry level and/or experienced (2-3 years) candidates to assist in the planning, design, and construction details of VLA projects. Position requires a College Degree in Landscape Architecture (or equivalent to), proficiency in CAD, Land FX or similar drafting software, Microsoft Office, and Photoshop. Top priority are verbal, written, and graphic communication skills, time management, problem solving and organizational skills. Willingness to continue to learn is valued, while consistently using VLA graphic and design standards.

VLA offers a competitive salary and benefits package, based upon abilities and experience.

Please send resume and portfolio to VLA, P. C., P. O. Box 4759, Jackson, WY 83001 or to janice@verdonelandarch.com. Attachments must be well identified.
