

**January 31, 2018**

**JOB TITLE:** Entry Level Landscape Architect

**LOCATION:** Jacksonville, Florida

**DESCRIPTION:** Prosser is a multidisciplinary firm based in northeast Florida offering Landscape Architecture, Architecture, Planning, Civil Engineering, Transportation Engineering and Graphic Design. We specialize in wide range of public and private sector work including design and planning work for higher education, medical campuses, municipalities, public parks, mixed use communities, corporate entities and various federal programs.

The successful candidate will be a creative and energetic addition to our team willing to work in a collaborative atmosphere with a passion for design, problem solving and project implementation.

**MINIMUM REQUIREMENTS:**

- Bachelor's Degree in Landscape Architecture or relevant design field
- 0-2 years employment history or internship in the design field
- Strong master planning and design skills
- AutoCAD proficiency
- Working knowledge of Adobe Photoshop and Illustrator
- Familiarity with Sketchup
- Ability to work with others
- Fluent in English (speaking, reading and writing)

**Submissions:**

Qualified candidates should email your resume, portfolio and two references minimum (pdf format) to:
