LANDSCAPE ARCHITECTURAL DESIGNER POSITION

ORLANDO, FLORIDA

Established, Award Winning Landscape Architectural firm seeking committed, energetic and passionate designer to work with experienced Landscape Architects. Candidate should have the ability to learn quickly with the mentorship of Senior Principals. The position allows for growth in the area of project management and client contact. Our professional practice focuses on resort planning, entertainment, and residential communities with a mix of market trend projects.

We offer a comfortable and casual work environment in an open studio. Medical benefits, retirement package, and very competitive salary.

Education: Bachelor or Master Degree in Landscape Architecture

Skills/Experience: 2-5 years preferred

- Strong emphasis in AutoCAD proficiency and speed.
- Knowledge of Florida plant material and unique Florida plant zones.
- Hardscape design and detailing experience.
- Strong graphic skills using Adobe Creative Suite and SketchUp.
- Experience with Revit and/or Rhino programs is desirable.
