

Landscape Architect (Experienced) | Orlando

LandDesign is searching for a Designer to join the Orlando, FL office and become part of a creative and collaborative team as our firm continues to grow.

LandDesign is an award-winning design firm offering urban design, planning, civil engineering, and landscape architecture solutions to public and private clients across the globe. With offices throughout the United States, the LandDesign team effectively brings innovative, buildable, sustainable, and ecologically responsible projects to life worldwide.

Responsibilities:

- Prepare concepts, design development and graphic illustrations
- Prepare construction document packages
- Conduct research and prepare site reviews and analyses
- Assist in editing technical specifications
- Collaborate with civil engineers
- Participate in design meetings

Requirements:

- Bachelor's or Master's Degree in Landscape Architecture or comparable field from an accredited university.
- At least one year of related experience
- Strong freehand illustration and rendering skills
- Must demonstrate excellent writing and oral presentation skills
- Must be proficient in Auto CAD and Adobe Creative Suite
- Enhanced 3D modeling skills -a plus (3D Max, REVIT and other BIM Systems); Lumion experience is highly desired
- Ability to adjust to dynamic project priorities
- Strong Collaborator
- Strong design and critical thinking abilities

For an opportunity to join a progressive company with expert designers dedicated to creating sustainable, livable places, please submit your cover letter, resume and provide a design portfolio. These documents should be submitted directly on our website: [www.landdesign.com/careers](http://www.landdesign.com/careers)

LandDesign offers a competitive compensation and benefits package including medical, dental, vision, and life insurances, a 401(k) program and other great benefits.

LandDesign is an EOE and drug-free work place.
