

**Job Title: Landscape Arch I**

**Location: Atlanta, GA**

*Are you committed to design excellence?*

*Do you thrive in an environment of collaboration?*

*Do you have a passion for sustainability?*

*Do you show a high degree of creativity and entrepreneurship?*

*If yes, join us in changing the world through design!*

As a Landscape Arch I on the Perkins+Will team, you will:

- Assist and participate in development of design concepts and technical solutions on a range of project types.
- Develop illustrative graphics, contribute to project reports, collaborate with consultants and assist with client presentations.
- Collaborate and assist team members with graphic creation, precedent research, design implementation solutions, and project narratives.
- Participate in project meetings and client workshops.
- Participate in project interviews and community engagement events.
- Assist with business development initiatives and special projects.

Requirements:

- Bachelor's degree in Landscape Architecture or related field. Master's degree preferred.
- 1-3 years professional experience.
- Ability to work in multiple scales of design development, from large scale planning to urban and landscape architecture design.
- Exceptional analytical and problem solving skills and attention to detail.
- Advanced proficiency with Revit, CAD, Rhino, GIS, Adobe Creative Suite, PowerPoint, Excel and Word required.
- Strong interpersonal communication skills, verbal, listening and written; including client presentation skills.
- Highly organized, detail-oriented self-starter with ability to prioritize.
- Collaborative and professional work ethic.
- LEED AP or within 6 months of hire.

Please click on the following link to apply for the Landscape Arch I posting. Qualified and interested candidates should submit a resume and work samples. Include your resume and a compact, representative sample of your work (no larger than 4MB).
