

Job Title: Mid-Level Landscape Architect

Location: Charlotte, NC

Design Resource Group is a design driven multi-disciplinary firm with Landscape Architects, Civil Engineers and Transportation Planners. We are an industry expert in high density urban projects and new-urban/suburban projects, including high density urban housing and mixed-use, innovative commercial and institutional typologies. Because our teams are horizontally integrated with the three disciplines, we are known for seamlessly integrating the technical and aesthetic aspects of design, and for being strong team players who get the job done. We are looking for talented and ambitious Landscape Architects who share our values to join and become an integral part of our supportive and energizing culture.

We offer great benefits including a retirement plan with 3% salary matching, full medical insurance, dental insurance, short term disability, life insurance, education and professional development assistance. We strive to have a good work/life balance, we get out of office for various outings throughout the year. We also offer a clear leadership plan for advancement and twice yearly bonuses based on merit. If this sounds interesting to you, let's talk.

If you possess these job requirements and skills:

Bachelors of Science in Landscape Architecture

Strong attention to detail, excellent analytical skills, and strong design skills

An ability to see the "big picture"

Proficiency in AutoCAD/Civil 3D, SketchUp, Photoshop

2 – 4 years landscape architecture experience in land development (will consider internships in total time)

If you are someone who is ready to:

Make a real and lasting contribution as an integral part of a dedicated and growing team,

If you are a strong team player,

If you want to take your career to the next level and want to be a future leader;

Please forward cover letter, work samples, and resume to drqcareers@drgrp.com

collaborative approach + informed design = inspired solutions
