

Landscape Architecture Intern

Salary

\$13.00 - \$15.00 Hourly

Location

Olathe, KS

Job Type

Internship

Department

Parks & Recreation

Job Number

201700179

Closing

Continuous

Description

Will work in the Parks and Recreation Department with the City's Park Project Coordinator and Park Project Planner (licensed landscape architects) utilizing landscape design and park planning knowledge to complete special job assignments. Duties will vary in nature and sequence.

Key Responsibilities

- Requires basic principles, knowledge, and applications of landscape architecture and park planning, and site planning.
- Assist in preparation of construction specifications drawings, grading and drainage, cost estimating, etc.
- Requires general knowledge of construction management, planting design, and general knowledge of the practice of landscape architecture.

Experience & Education

- College 4th or 5th year student majoring in Landscape Architecture/Design or related field.
- Must be currently enrolled in a graduate or undergraduate Landscape Architecture program.
- Must be a self-starter, with the ability to work semi-independently and follow verbal instructions.
- Must be at least 18 years old, pass a background investigation and pre-employment physical and drug screen.
- Requires a valid driver's license with a good driving record.

Supplemental Information

Please submit a resume along with a portfolio of your work and experience with design, drafting and computer programs related to the field, which may include AutoCad, Microsoft Office, ArcGIS, sketchup, or other software programs.

This is a temporary non-benefited position, must be available during the summer.

This position is not benefits eligible.
