

## Master Planner | DC

LandDesign is seeking an experienced Master Planner to join its Alexandria, VA office and become a part of a creative and collaborative team as our firm continues to grow. The chosen candidate will be a conceptual designer with expertise in master planning, site design and urban design with an exceptional ability to effectively communicate the design process and concepts.

LandDesign offers award-winning urban design, planning, branding, civil engineering, and landscape architecture solutions to public and private sector clients across the globe. With offices across the United States, the LandDesign team effectively brings innovative, buildable, sustainable, and ecologically responsible projects to life worldwide.

### Requirements:

- Bachelors or Master's Degree in Landscape Architecture, Architecture and/or Urban Design from an accredited university
- At least 10 years of experience in the design of large scale projects
- Excellent design, visualization and graphic skills
- Strong hand graphic skills and the ability to communicate design through hand drawings
- Experience in project management, client relations and project team collaboration
- Experienced and proficient designer with expertise in master planned communities, urban design, entitlement and permitting process
- Must demonstrate excellent writing and oral presentation skills
- Must be proficient in AutoCAD, Adobe Suite and Sketch-Up
- Ability to adjust to dynamic project priorities
- Strong collaborator

For an opportunity to join a progressive company that creates places that matter, please submit your resume and portfolio to [www.landdesign.com/careers](http://www.landdesign.com/careers)

LandDesign offers a competitive compensation and benefits package including medical, dental, life, 401 (k) and other great benefits.

LandDesign is an EOE and drug-free workplace.
