

Mark Scott Associates is a landscape architectural firm based in Newport Beach specializing in award-winning custom residential estates. Our philosophy is to maintain a creative eye, courageous vision, and to deliver exceptional quality. We invite you to visit our website [www.markscottassociates.com](http://www.markscottassociates.com).

Mark Scott Associates has an immediate opening for a talented Mid-Level Landscape Architect/Designer with an innovative perspective and who is self-motivated with a strong work ethic.

Experience and skills should include:

- Degree in Landscape Architecture
- 3-5 years of experience through all phases of design and construction
- Proficiency with PC-based AutoCAD, SketchUp, Adobe Suite
- Experience preparing submittal documents and presentation exhibits to community associations and public agencies
- Experience preparing construction documents including:
  - o Grading/Drainage
  - o Construction Plan and Detailing
  - o Irrigation
  - o Planting ( Knowledge of Southern California Plant Palette)
  - o Low-Volt Lighting
- Project management, including coordination with consultants and clients
