

### **Internship – Landscape Architecture or Planning | Multiple Locations**

**DTJ DESIGN (DTJ)** is an international award-winning, multi-discipline design firm with a diverse portfolio at a variety of scales, including high profile parks and public spaces, resort, hospitality, and amenitized residential communities. Current projects include Centennial Olympic Park, Universal Studios, Town of Breckenridge and Nassau Downtown Development.

The selected individuals will be a part of an integrated design team and will be working with DTJ team members that love what we do. We are a creative group and who care about helping people reach their potential within the design industry! In addition to our work, we have regularly scheduled staff events to help cultivate the fun atmosphere!

We are accepting applications for full-time summer landscape design and planning interns for our Boulder and Atlanta offices.

Candidates should be enthusiastic about learning with strong graphic design and communication skills in their junior or senior year. Summer interns will be expected to work a standard 40-hour work week and will be paid an hourly wage.

**Education requirements:** College coursework in Landscape Architecture or Planning in an accredited program.

**Program requirements:** Photoshop, Illustrator, InDesign and AutoCAD.
