

Landscape Designer – Summer Internship

Payette is currently seeking a Landscape Designer for a summer internship to join its team in the design of complex projects related to research, healthcare and laboratory facilities.

Candidates must have the following qualifications to be considered for the internship:

- Currently enrolled in a Bachelor of Landscape Architecture program or a Master of Landscape Architecture program.
- Experience with AutoCAD.

Other internship qualifications include:

- Exceptional design skills and thinking as demonstrated through various modes.
- Excellent written, verbal, and visual communication skills with various levels of staff.
- Ability to juggle multiple tasks, collaborate on large teams and work well under deadlines.
- Basic understanding of Rhino digital 3D renderings skills.
- Excellent physical 3D model building skills.
- Proficient in the Adobe Creative Suite.

Payette is an Equal Opportunity Employer and welcomes diversity in the workplace.

Resumes submitted online will be considered. When applying for this position please upload your portfolio in the "other" documents section. Please note for all documents (resume, cover letter, and portfolio) the maximum files size is 5 MB.
