### Colorado Technical University - 2012

B.S. Graphic Design

## Relevant Courses

Digital Design Methods  
Design and Construction  
Green Roofs  
Urban Design  
Park Design  
Advanced Site Engineering

Irrigation & Water Conservation  
Site Valuation  
Global Environmental Sustainability  
Urban Agriculture  
Woody Plants

## Skills

Adobe CS6 Photoshop, Illustrator, InDesign, Bridge, Acrobat; Autodesk AutoCAD, LandFX; Sketchup, MS Office Suite 2010 (Word, Excel, Access, PowerPoint, Outlook), HTML, Hand Illustration

## Organizations

ASLA Member

## Relevant Experience

### Designscapes Colorado

May - August 2017

*Intern*

Worked directly with residential and commercial designers and builders to meet fast-paced project deadlines. Accompanied designers and builders to client meetings, city board meetings, and construction sites. Utilized Adobe Acrobat, Sketch-Up, Illustrator, and AutoCAD to compliment hand-drawn illustrations for presentations. Hand colored project plans.

## Work Experience

### University of Colorado Health 2013 - 2015

*Clerical Technician*

Ensured the accurate, efficient, and detailed transferring of patient data from scanned PDFs and AllScripts into EPIC database for UC Health clinics.

### Colorado Technical University 2010 - 2013

*Librarian's Assistant/Graphic Designer*

Created various posters and flyers to market specialty events online, on-campus, and corporate wide. Assisted students and professors with physical and digital school reference materials. Strengthened catalog and shelving system for all incoming and outgoing library books. Trained incoming Tutors and Library Assistants.
