EDUCATION

The Ohio State University, Columbus, OH

B.S. in Landscape Architecture, March, 2001

EXPERIENCE

WD Partners, Dublin, Ohio

Landscape Architect (November 2005 to present)

- Responsible for landscape architectural design from design development through construction documents for restaurant, grocery, and retail clients.
- Prepared site layout, grading, tree preservation, planting, and irrigation plans, details, specifications, design guidelines, and cost estimates.
- Ensured compliance with client standards and local zoning codes in jurisdictions nationwide.
- Performed construction administration including submittal reviews, RFI responses, change orders, site inspections, punch lists, and as-built compliance certification.

Schieber & Associates, Gahanna, Ohio

Landscape Designer (April 2002 to November 2005)

- Prepared landscape architectural design from concept to construction documents for commercial, residential, and public projects, including parks and streetscapes.
- Prepared tree preservation, planting, grading, and irrigation plans, details, specifications, cost estimates, and color renderings.
- Streamlined AutoCAD standards, master template files, and detail library.

City of Westerville Parks & Recreation, Westerville, Ohio

Landscape Architectural Intern (July 1999 to September 2000)

- Assisted the Parks Development Manager with park and streetscape designs, presentation drawings, planting plans, construction details, field survey work, construction work, and construction administration.

SKILLS

- AutoCAD, Civil 3D, Adobe Photoshop, and Microsoft Office Suite
