

All Years

LeBlanc Jones Landscape Architects, Inc. ([www.leblancjones.com](http://www.leblancjones.com)) is seeking an entry level and/or experienced creative designer with an exceptional ability to communicate and represent design ideas.

Primary responsibilities of this role will include developing and resolving design concepts, preparing construction documents, possible project management and construction observation.

We have a full range of benefits including a competitive salary, paid vacation and holidays, and retirement plan.

Qualified applicants will have a proven ability to prioritize responsibilities and multi-task in a fast paced environment. Comprehensive experience with AutoCAD, Photoshop, Adobe Creative Suite, Sketch Up, and Microsoft Office software are required.

Bachelor or Master's degree in Landscape Architecture

Digital copies preferred. Email to [info@leblancjones.com](mailto:info@leblancjones.com). Send hard copies of letter of interest, resume and 8 1/2 x 11" work samples to the mailing address: c/o Serafina Daley, LeBlanc Jones Landscape Architects, Inc., 535 Albany Street, Suite 5A, Boston, MA 02118

No calls, please.
