

Detailed Job Information

Title: LANDSCAPE ARCHITECT/ DESIGNER- Immediate positions available (1) ~San Diego, CA
City: San Diego
State: California
Zip Code: 92121
Country: United States
Category: Landscape Architects
Years of Experience: 4-6 Years
Compensation: Commensurate with Experience
Description: GMP is an award-winning landscape architecture firm with a very strong portfolio. For over three decades, we have been committed to bringing creative and innovative landscape designs and planning to life. Our projects include large-scale community master plans, urban infill, mixed-use developments, parks and streetscapes throughout Southern California and Arizona. We are a highly motivated team dedicated to all aspects of our work.

GMP is seeking a professional, dynamic, and creative individual to join one of San Diego's most established landscape architecture firms. We are seeking a Landscape Designer/Assistant Project Manager to work on a diverse range of projects from concept through construction drawings. The ideal candidate should be self-motivated, thoughtful, committed to quality design, technical execution, collaboration with a talented team and committed to providing exemplary service to clients.

Salaries are commensurate with experience. Benefits include 401K, health, dental and vision insurance and a very contemporary, open studio.

Please send work samples addressed to **Marc Moody**, resume and letter of interest in PDF form to marc@gmplandarch.com

Skills Required: Candidates with 4-6 years of experience working on large scale projects with a Landscape Architectural Firm are encouraged to apply. Applicants should be skilled in written and visual communications, have strong graphic and design skills, as well as technical proficiency in AutoCad, Adobe Suite, Sketch Up and desktop publishing programs. Professionalism, commitment and creative enthusiasm are essential.

Education Requirements: Undergraduate Landscape Architecture from an accredited university.
