

# LOUISIANA SPEAKS: PLANNING TOOLKIT

HEATHER DUBOIS, NICHOLE LINDSEY

## GROW SMARTER: THE VISION FOR A SAFER, STRONGER, SMARTER REGION

Build and build better. The state will invest in the infrastructure that will make the region safer, stronger, and smarter. This includes roads, bridges, and other infrastructure that will make the region safer, stronger, and smarter. This includes roads, bridges, and other infrastructure that will make the region safer, stronger, and smarter.

### Development Area

- **Development Area** - Areas where new development is encouraged, including areas for housing, industry, and other uses.
- **Development Area** - Areas where new development is encouraged, including areas for housing, industry, and other uses.
- **Development Area** - Areas where new development is encouraged, including areas for housing, industry, and other uses.
- **Development Area** - Areas where new development is encouraged, including areas for housing, industry, and other uses.

### Transportation System

- **Transportation System** - Areas where new transportation infrastructure is encouraged, including roads, bridges, and other infrastructure.
- **Transportation System** - Areas where new transportation infrastructure is encouraged, including roads, bridges, and other infrastructure.
- **Transportation System** - Areas where new transportation infrastructure is encouraged, including roads, bridges, and other infrastructure.
